Christmas 2020 at PS I Love You was a dream come true for me as a former foster parent. It had always been a desire of mine to provide Christmas sponsorships, but in the past we did not have the space to pull it off. The pandemic forced us to forfeit our normal PS I Love You Christmas party, so the dream of child sponsorships became a reality! God is so good.....He provided all the sponsors, toys, family bags, stockings, and so much more. A total of **130 foster children and 80 foster families** were showered with many sweet blessings! It was a HUGE success! Look out for Christmas 2021! We are already excited about it! 😊

Recently in the closet, I met a young girl whose mom had overdosed in the middle of the night. The deep sorrow and fear on her face was heartbreaking. A smile never surfaced during the quick closet visit that day... my prayer is that God would use the Bible and other necessities we gave her, to bring comfort, peace and joy to her hurting heart. I read this in a devotion recently: "God can exchange the pain for peace, hurt for healing, and rejection for redemption. There is no pain too great that He cannot turn into joy." Deuteronomy 31:8 "The Lord Himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged." Please **pray** for children in foster care!

The year 2020 proved to be a year of growth for PS I Love You. We ended up nearly doubling the number of children we served in our clothing closet and resource center. Through an enormous move and the challenges of 2020, God continues to open doors of opportunity to provide for foster children. Our team grateful and counts considers it a privilege to have the opportunity to walk alongside children in foster care on their journey. It's our hope, as well as the goal of this ministry, to provide comfort and support to these children. Thank you for investing in the lives of foster children and foster families. We could not do what we do without the support of our community and our generous donors!

Blessings, Kay Kirby-Executive Director

Thank You!

We have been blessed by our donors that we are able to now serve

Foster Parent Testimony

"We became a foster family in November 2020. We made an appointment
with PS I love You Ministry the following day to grab some necessities
for our foster daughter, & I was overwhelmed with their kindness and
how much they provided for her and our family!

The generosity of this ministry and those who give to the ministry is
invaluable! From clothing, shoes, outerwear, socks, PJs, undergarments
etc to toys, a Bible, book bag full of supplies for school, and
even a frozen meal for our family, they completely went above and
beyond to meet our needs!

We are so grateful for PS I Love You Ministry
and all who give to help foster families like ours."
